

Dear Parents,

We are here to encourage the spiritual, academic, and social development of every child we serve with love and compassion. We believe that our youth have been hand-selected and "chosen" by God to be trained and equipped in His Word. With God's help they can truly discover life at Calvary.

Our Christian education ministry provides a weekly systematic structure to help students get acquainted with their Creator, develop a personal relationship that will sustain them, and empower them to impact others with Christ's love. We want our time together to be fun, informative and life transformational. Please help us by encouraging your child to be present, attentive, and ready to learn. No toys, cell phones, no distractions...just a heart of hear from God.

Working together, with consistent and committed involvement, we can empower our youth to walk in dominion through the power of Jesus Christ.

-Leonard & Tiffanye Sledge  
*Interim CE Coordinators*

Calvary Revival Church-Peninsula  
119 29<sup>th</sup> Street  
Newport News, VA 23607

**DOMINION KIDZ**  
&
